Dear Parent:

In accordance with ESEA Section 1111 (h) (6) Parents Right to Know, the Dayton Business Technology High School is notifying every parent of a student in a Title I school that you have the right to request information regarding the professional qualifications of your child's classroom teacher. This information regarding the professional qualifications of your child's classroom teachers including, at a minimum, the following:

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or provisional status through which State qualification or licensing criteria have been waived.
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time your child has been taught for more than 4 or more consecutive weeks by a teacher not highly qualified, the school will notify you.

If you have questions, please feel free to contact your district Principal/CAO, Lisa G. Minor, at the following phone number (937) 225-3989 ext. 1002

Sincerely,
